

Director's Message:

Dear Neighbor's and Friends:

Happy New Year! We are so excited to be sharing this special time of year with you. It is a time for reflection, and gratitude. A time for new goals, and renewed invigoration for making a real difference in the Salt Lake community. As we forge into 2011, FSC is as committed as ever to our mission statement, "Protecting Children, Strengthening Families, Preventing Child Abuse". We know this would not be possible without your support; thank you for caring about children and families in our community as much as we do. Please watch for our quarterly newsletters to stay apprised of our latest efforts and dealings. Visit our website for class schedules or more information at www.familysupportcenter.org. Find us on Facebook as well!

Best Wishes,

Bonnie Peters, LCSW
Executive Director
